Latest news from ITM

## NEWS - DBK ITM

Hello Mrs./Mr. ,

we are back from winter break and eager to work with you in 2018. We hope you started the year off right with some fresh energy!

## Think global, act local.

### **New ITM organizational structure**

As of January 1st, 2018, there have been some organizational changes within ITM to advance globalization according to our motto "Think global, act local". **Dr.-Ing. Jürgen Prokop** has been appointed **Head of ITM Europe**. He is now responsible for coordinating ITM activities and for strengthening cooperation among our subsidiaries in Europe.

## DBK Storybook

### **YouTube video series**

SPS visitors have already gotten a preview of what we call "DBK Storybook" – a series of in-house crafted doodle videos. DBK Storybook aims to explain our technologies and to give insights into the application of our products. We've already posted two videos!

# ITM at SHK 2018

March 6-9, Essen, Germany

**Visit us in hall 1, booth 1C32 from march 6th - 9th!**

For the first time, we are going to exhibit at the trade show for sanitation, heating, air conditioning and renewable energies, SHK. This show takes place every two years and is an important industry meeting point to exchange about product innovations. We are going to present pre-heating & re-heating solutions for HVAC systems with heat recovery at our booth in hall 1. We are excited to exchange with industry experts and to welcome many visitors!

**Why don't you join us? Contact us for a free ticket!**
